

BROUGHT TO YOU BY:

# SPREAD HOPE IN CENTRAL NEW YORK

Please color in this rainbow and display it in your front window for everyone to see. It's a simple way to spread hope to your neighbors, and feel connected with humanity as we all fight the spread of coronavirus together. Thanks to all of our company supporters for making this possible. We wish you and your family good health during this difficult time.

Tag your rainbow using **#SyracuseHope**
